To Whom It May Conern

Dear Sir/Madam

PRODUCT TESTIMONIAL

My production line is currently using your product (since Yr 2004), the Oil Purifiner machine model: TS 5060PMH. Our initial planning was to use this product for purify our machine oil used in Cold Forging department. To our surprised, we are delighted to the fact that our yearly purchase of the machine oil has greatly reduced to more than half.

According to our recent summarized for environmental reporting, this is inline with our corporate Environmental direction.

This letter is served to express our thanks to your introduction of the machine to us.

Your Sincerely,

Koh Hwee Kui
