Re: USAF Maintenance Program Required use of Rust Bullet Products.

Kathline,

ITT Corporation is a contractor of the US Air Force 30th Space Wing at Vandenberg AFB and the 45th Space Wing at Patrick AFB. The Contract is the Spacelift Range Systems Contract (SLRSC). This contract encompasses design, maintenance, and repair of Instrumentation and Tracking systems. We are part of the Western range Depot Maintenance Division.

All products purchased from Rust Bullet are for use on the Air Force Range Assets as part of our maintenance requirements.
